

New Back Office

How to Login & View Reports

MLB Capital Private Limited is a SEBI-registered stock broker and depository participant (NSE & BSE). This guide walks you through the New Back Office portal — covering account login, password reset, OTP verification, and accessing your account dashboard to view holdings and financial reports.

Your Login ID is your trading code with the prefix 'C' (e.g. if your trading code is 5808, your Login ID is C5808)

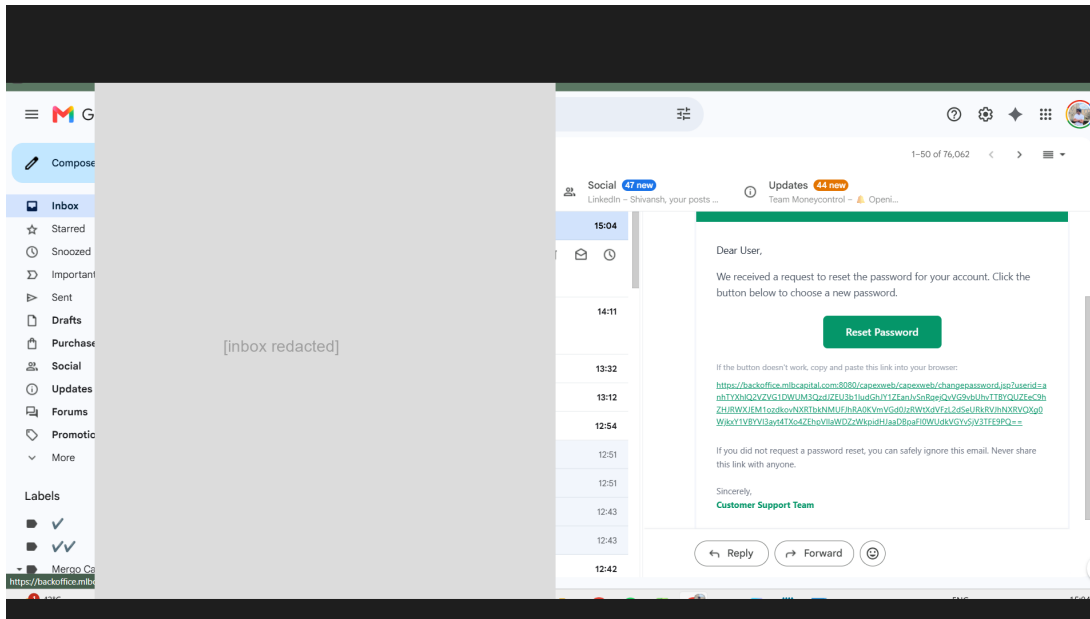

09 June 2026

Step 1

Login Page

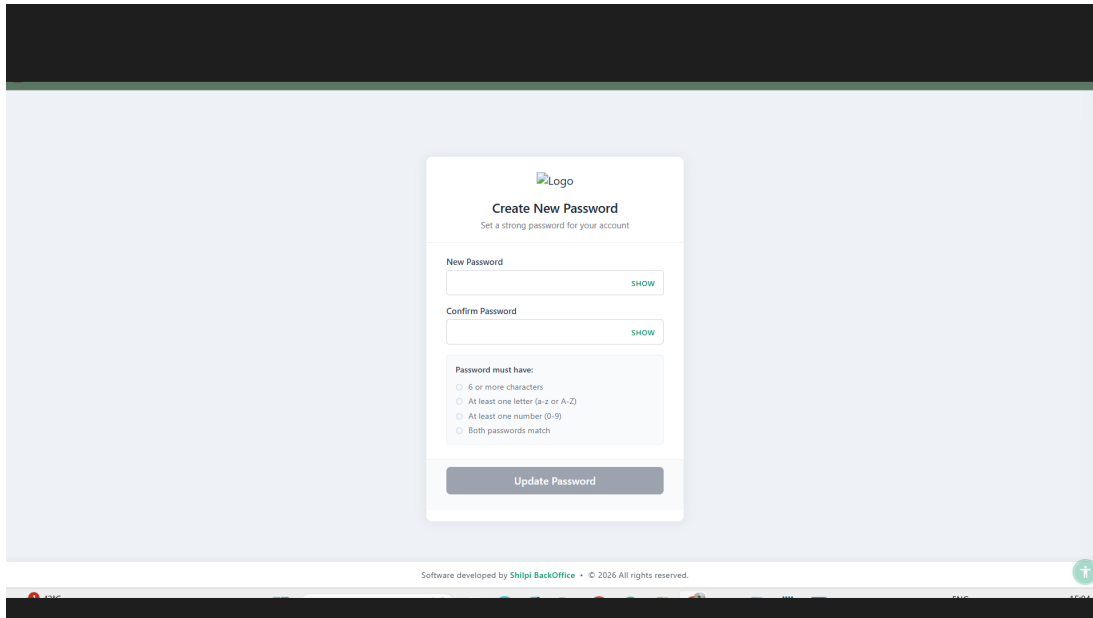

Enter Login ID, Password and Captcha. Click "Forgot Password?" to reset your password.

Step 2

Forgot Password

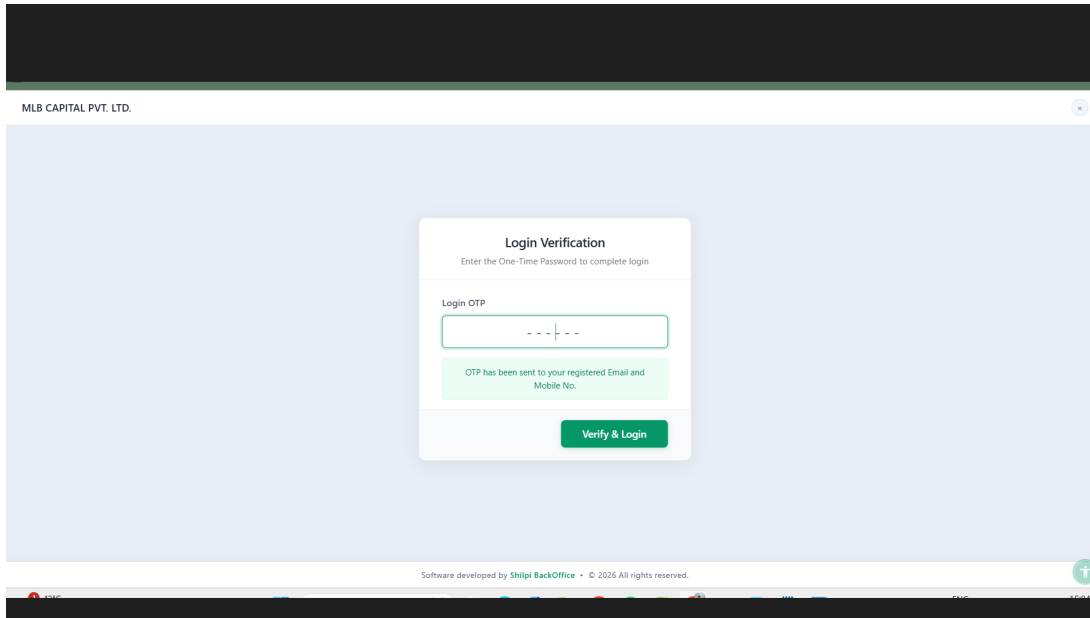

A password reset email is sent to your registered email ID. Open the email and click "Reset Password".

Step 3

Create New Password

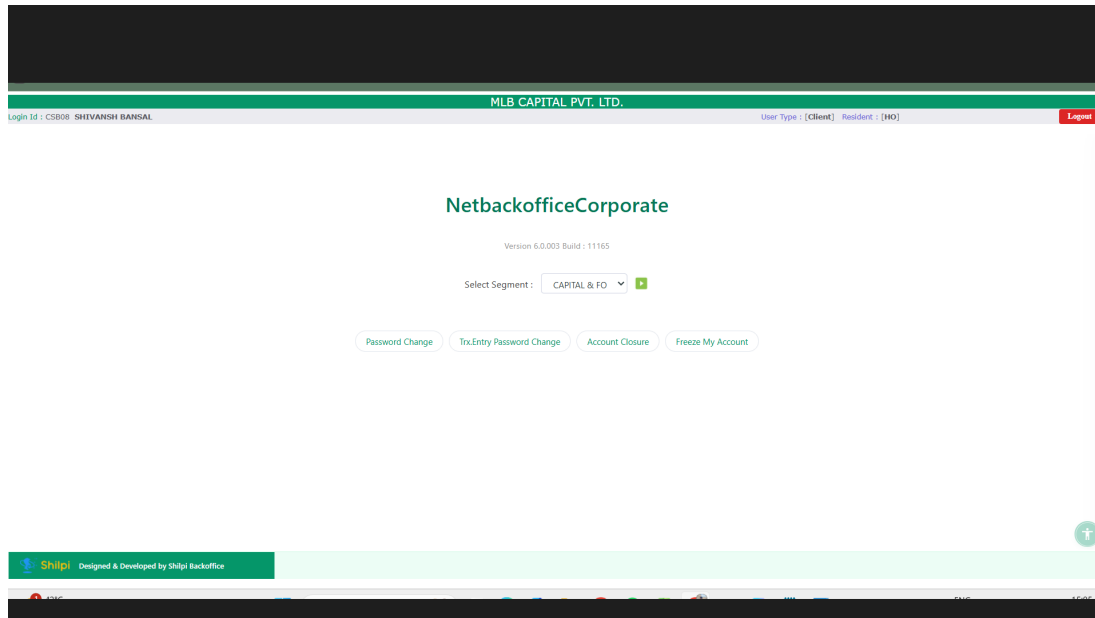

Set a new password meeting the requirements:
6+ characters, one letter, one number, and both passwords must match.

Step 4

Login Verification (OTP)

Enter the One-Time Password sent to your registered Email and Mobile Number. Click "Verify & Login".

Step 5 Dashboard

Select your Segment (Capital & FO or NSDL) and click the arrow to enter the portal.
